AMERICAN PICKERS to Film in Washington

The American Pickers are excited to return to Washington! They plan to film episodes of The History Channel hit television series throughout your area in October 2022.

AMERICAN PICKERS is a documentary series that explores the fascinating world of antique "picking" on The History Channel. The hit show follows skilled pickers in the business, as they hunt for America's most valuable antiques. They are always excited to find sizeable, unique collections and learn the interesting stories behind them.

As they hit the back roads from coast to coast, the Pickers are on a mission to recycle and rescue forgotten relics. Along the way, they want to meet characters with remarkable and exceptional items. They hope to give historically significant objects a new lease on life while learning a thing or two about America's past along the way. The Pickers have seen a lot of rusty gold over the years and are always looking to discover something they've never seen before. They are ready to find extraordinary items and hear fascinating tales about them.

We at American Pickers continue to take the pandemic very seriously and will be following all guidelines and protocols for safe filming outlined by the state and CDC. Nevertheless, we are excited to continue reaching the many collectors in the area to discuss their years of picking and are eager to hear their memorable stories!

The American Pickers TV Show is looking for leads and would love to explore your hidden treasure. If you or someone you know has a large, private collection or accumulation of antiques that the Pickers can spend the better part of the day looking through, send us your name, phone number, location, and description of the collection with photos to:

americanpickers@cineflix.com or call (646) 493-2184

AMERICAN PICKERS is produced by Cineflix Productions for The History Channel. New episodes air Mondays at 8pm EST on History.

Local Massage School closed the end of August

“Lillian Cassidy, Owner and Director of the Central Washington School of Massage Therapy announced the school will close its doors for good on August 31st. She states the closure is due in part to the Covid-19 pandemic and low student enrollment and the effect that had on the school financially.

The school opened its doors in August of 2017 and their first class of students graduated in June of 2018. The final class of students graduated in June of 2022 and those students are just beginning their new careers. “It was my dream 5 years ago to own a business in Selah and open a massage school and I have lived that dream. It has been a wonderful 5 years of providing high quality education for students in the Yakima Valley and it has been the most rewarding experience! I’m extremely proud of each and every student that completed their massage training with us and wish them ongoing success. We’ve had excellent instructors teach here at the school including Ronda Knight, LMT, Mary Choate, LMT and Weston Gill, LMT and I am grateful for their dedication to teaching and sharing their specialized techniques. We’ve met wonderful people along the way that participated in our weekly Student Clinic and the many folks that received free chair massages at various events. And lastly, thank you to the business community of Selah, including the Selah Downtown Association and the Selah Chamber of Commerce, for your support and allowing us to participate in many events over the years. It was truly a pleasure and I wish you all continued success in making Selah a truly great community!”

Kick-off Homecoming Week and tour Selah's two newest facilities! Visit the new kindergarten facility at the Lince campus and John Campbell Primary School, both part of the 2018 facilities bond.

Bell Schedule Adjustments will Benefit Selah Students

As we head in to the 2022-2023 school year, in considering student well-being and a positive school experience as it relates to transportation, the Selah School District has revised its busing and campus bell schedules. The improvements come after a review of last year's busing and bell schedules and also consider how busing impacts the roads and community of Selah. The improvements were made to benefit the 2,300 students who ride a bus and for those who pick-up and drop-off students.

Student benefits with the bell changes include:

- Efficiencies in student pick-up, drop off, and overall reduction of time on buses in loading zones.
- Students in preschool and kindergarten will ride separate buses from the older students.
- Capacity on high-demand routes during John Campbell and Selah Intermediate bus runs will increase.
- Decrease in ride times for elementary students by nearly 20-25 minutes daily.
- Overall, traffic impacts will be reduced in the community due to the changes.

Please see the Selah School District's 2022-2023 building bell schedules below.

Driving Safely for Selah Students!

- Stop for the school bus.
- Watch for buses while they drop-off and pick-up kids.
- Be aware of children walking to and from bus stops.
- Expect increased traffic in school zones.
- Be aware of school pedestrian crossings.
- Be safe. Follow the speed limit laws in school zones. Be respectful of crossing guards. They are there for the safety of students.

FOR IMMEDIATE RELEASE

August 23, 2022

The Valley's largest event - Central Washington State Fair - kicks off in less than 30 days

YAKIMA, WA: The Central Washington State Fair is right around the corner and it's almost time to enjoy all the food, fun, and friends and family traditions that you do every year. "There are so many reasons to come out and celebrate with us this year," said CEO Kramer. "We are celebrating the Fair's 130th anniversary, we can operate without any COVID restrictions, and lots of new things for fairgoers to see, eat and do at this year's Fair.

The Fair is offering two specially priced concerts to celebrate the Fair's 130th anniversary. War - Saturday, September 24th and Sawyer Brown with special guest The Olson Bros Band - Saturday, October 1st. These concert tickets are only \$18.92 (1892 is when it all started) and your concert ticket includes Fair admission.

This year's Fair marks the first time since 2019 that the Fair can operate in full capacity and in normal business conditions. "We learned many lessons during COVID about sanitation protocols and we will continue to offer handwashing stations throughout the grounds and staff will continue to practice enhanced cleaning protocols in all public areas." Said Kramer.

Fairs are community assets steeped in tradition around celebrating agriculture, education, and the community's youth. While the Fair will continue to pay homage to our agricultural roots and

keep those traditions alive, it's about balancing the old with the new. "When I arrived almost three years ago, the common theme I would hear in the community was around bringing new things to the Fair." Said Kramer. We listened to and gathered ideas from community stakeholder meetings and conducted community surveys to understand what kinds of new programming the community wanted to see at the Fair.

"I am so proud of our team, their creativity, hard work in planning and preparing for this year's Fair and all the improvements we have made to the grounds. The new Fiesta de Familia area, Feature Ag Exhibit - Backyard Bounty, sure to inspire the farmer in all of us and the expanded general admission lawn concert seating area just to name a few. "There are so many new things for the community to experience this year, I am sure you will want to visit multiple times," Said Kramer.

For a complete list of all the new things to see and do at the 2022 Central Washington State Fair, visit FairFun.com.
